Letter from The Huth Family President

Change Your Thinking.

Rather than worshipping productivity and efficiency, remember that there's more to life than living it efficiently. There's family, quality of life, joy, love, spirituality, and community, for starters.

The tools we have in our life are focused on productivity...we are very efficient with our cell phones, PDA's, and emails. But with new technology comes more and more expanded expectations that include your increased productivity. This kind of pressure can lead to overwhelm. And, this type of thinking can sometimes interfere with relaxation and your much needed recharge time.

Do you really take the time to relax and recharge your thoughts? Your body? We are all running around focused on how much we can accomplish in a restricted time frame.

I used to think multitasking was a good thing. And if I had a really Smart phone my multitasking ability would improve, Now, I feel multitasking is a chance to accomplish many things poorly. Instead of a 'to-do' list, I now make a list of things that provide me with joy. Beginning with the least joy to the most.

Try it. You may find your 'productivity' and focus improves.

Be Well.

Lana Kennedy(9)

In Victorian times, certain flowers had specific meanings because the flower selection was limited and people used more symbols and gestures to communicate than words.

Attention Student Volunteers:

The reunion committee will provide volunteer credit hours if you help with reunion set-up, clean-up or help officiate our tournament games.

Martin & Helen Huth

Celebrate Their 50th Wedding Anniversary!

(First published in the Daily Jeffersonian February 9, 2014).

Martin and Helen Huth (2) of New Concord celebrated their 50th wedding anniversary on February 8, 2014.

On February 8, 1964 Helen Hastings, daughter of H. Stewart and Laura (Geese) Hastings, and Martin Huth, son of Gilbert Huth and Juanita (Cathell) Purvis, were united in marriage at Annunciation Church in Akron.

The Rev. Fr. James Smith officiated the ceremony.

Helen is retired, having

served at St. Benedict Elementary School. She is a member of Christ Our Light Choir and Muskingham University Choral Society.

Marty is a retired employee of TerraQuest Homes. He is co-founder and former president of the Southwestern Ohio European Sports Car Club.

The couple have four children, Tim (Lisa Andres) Huth of Vancouver, British Columbia, Canada; Christine (Nescher) Pyscher of Cambridge; Katie (John) Bokas of Rocky River; and Karen (Ian Hoonahan) Huth of

Portland, Oregon.

Completing the circle are six grandchildren, Cameron, Ian and Aaron Bokas, Geir Pyscher, Sidney Huth and Oliver Hoonahan.

Friends and neighbors and family members may send well wishes to the couple at 121 Lakeside Drive, New Concord, OH 43762.

Reminder:

If you pledged a couple of years back to pay it forward, but you don't remember what you pledged, no worries. You can simply contact Dick Huth at 330-864-2971 or re-pledge at this year's reunion.

Thank you for your generous gifts! Your pledges are greatly appreciated.

Letter from Laura

I look out at our stately maple tree whose branches were barren just days ago. With the rains came new life however and in just three days the maple has dressed herself in a robe of large, bright green leaves.

So it's true with our flowers. Where once there were only chutes struggling to burst through the still cold ground, now there are beautifully bright blooms.

And so it follows that all life begins anew with springtime. Even our lives. We may struggle through winter but knowing that spring is around the corner, gives us a renewed sense of hope. It invigorates us. It makes us feel like trying new things even.

We're undergoing major changes at Huth Central. Our last reunion was to join us. We even had one local who simply couldn't get a ride to the meeting so she joined us via technology instead. And may I add, all of the folks who joined us via technology were over the age of eighty. You're never too old to learn new tricks.

Even the Acorn is now well established as an

e-publication for more than half of us. But changes are occurring with the newsletter as well. This edition you will notice a new format and a new editor. Lana Kennedy who is working tirelessly as the Huth Reunion President has offered to take on the work of our tri-annual newsletter.

Some of us find it hard getting used to change, but somehow, we accept the changes the season of spring brings. So as you think of all the things happening (especially technologically) within our family, think spring.

Think of the life affirming changes that we so easily accept after crawling out of the depths of winter. If you can liken our family's changes to spring, perhaps it'll be easier to settle in and let nature takes its course.

PLEDGES TO DATE

2013

2014

For the first year ever, we are entering our Huth reunion in the black. We know that everyone can't afford to make a contribution or pledge every year but we still want EVERYONE to attend the reunion, especially this year as we are entering in the black.

THANK YOU to all of you who have been so generous throughout the years. We want to celebrate all of you.

We look forward to seeing all of you at the 2014 Huth Family Reunion! We have a lot of activities in store, something for everyone.

The Henry & Laura Huth Family Mission and Goals

"Keep our family heritage strong in thought and deeds. Our family values are rooted in love, empathy and compassion for each other and the community we serve. Let's make memories and have fun!"

1. Continue effective communications with each other in the best way possible. (The Acorn-our newsletter, Facebook, web sites, photographs, video, email, snail-mail and encouragements-cards)
2. Lead with the empathy and compassion that my Grandmother displayed while raising 12 children during tough times during the depression.
3. Continue to encourage the second, third and fourth generations to help support all efforts of our family foundation and reunions.
