

Spring Recap

Family Meetings: On April 5, 1997, a gathering of 15 family members met at Dan and Karen Huth's (12) for family updates and committee reports.

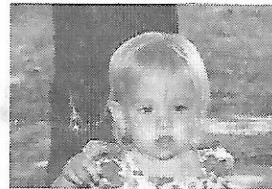

On May 30th, we had our final pre-reunion meeting at Pauline Yingling's (1) house. Barbara and Dick Hill (9) were able to attend this meeting, as they were in town for a Memorial Day Activity. Our youngest participant was 11 week old Jack Ryan Dowling (10).

To give you a sense of what these meetings are about, we really do spend some time on reunion planning and other family matters; however, most of the meeting results in a mini-reunion, giving family a good reason to get together. As an example, everyone surprised Karen Huth (12) by remembering her birthday. Marian Holibaugh (4) prepared her special German Chocolate cake with black walnuts. If that sounds good to you, we may persuade her to do this recipe for the reunion.

These meetings are informal, and we welcome your attendance when possible. *The Acorn* will print future meeting dates as timely as possible, when scheduled.

Family Spotlight

Mill Valley, CA - Joe and Lauren Roonan (7) have just completed their emergency response training held by the American Red Cross. Certifications include: CPR for the professional rescuer, Wilderness First Aid, and Oxygen Administration. This course is one of many requirements of CARDA (California Rescue Dog Association) in obtaining their goal of mission ready status.

Acorn Note: The above story is in response to a request by Dana Huth (12), in the Spring, 1997 issue of *The Acorn* regarding personal, occupational and educational accomplishments.

Carey, NC - *The Acorn* is happy to add Ron Davis (1) to our educator's list, with his recent position teaching Health Occupations. Also, special thanks and appreciation to those dedicated professionals we have previously identified within our Tall Oaks family.

Coming Attraction

The Acorn is pleased to announce that we will be printing a series of historic accounts, about Henry and Lauretta Huth and their families, in upcoming issues.

Martin Johnson (9) has been collecting data, which he has diligently compiled into story form, recording what future generations will certainly value.

We look forward to reading Marty's work and appreciate his sharing those bits of history with us.

Information is based on fact finding research and family interviews. Part I will appear in the fall issue of *The Acorn*.

As always, your input will add to this historic documentation of family information. Factual data is important, but we don't want to overlook those special first hand stories, that only you can contribute. *The Acorn* encourages you to please jot down or tape record your memories for addition to this Henry and Lauretta Huth Family biography.

1997 Reunion

It's that time of year again, when, for one day, we are all German and especially, we are all Huths: In cooperation with this year's reunion theme, *The Acorn* is excited to take part in this once-a-year transition and is dedicating this summer issue to the 1997 "Huth Deutsch Fest".

Rise and Shine

The reunion Eye-opener committee is ready to serve up a Saturday breakfast, "fit for the German appetite", upon your early arrival. Start off the day with this famous breakfast and be energized for the big day!

Kitchen Crew

At times, we need your help in the kitchen, which actually ends up being a fun gathering spot. Last year's schedule of helpers was a big success and Karen Vuillemin (3) is requesting your assistance once again. Her committee will serve as the a.m. set up crew, with the usual assistance from Lois Yingling (1) and other early birds.

They welcome additional volunteers throughout the afternoon and evening hours to keep things running smoothly.

What's Cookin': Why is that covered dish so tasty? Please use the enclosed recipe card to fill in your favorite recipe or a German specialty, and bring your recipe card and covered dish to the reunion on Saturday.

Family and Heritage

The theme committee will have a table set up for you to share any family/German history you may have. They encourage your participation, as it is fun to view old keepsakes and share memories.

1997 - Revised Directory

The new Huth Family Directory is moving along and our plans are to distribute one to each adult household at this year's reunion.

After the challenge and experience of a first directory, we are pleased to be getting the bugs out of what will be a GREAT 1997 edition!

Acorn Note: Don't forget to send in your directory corrections!

Deutsch Facts

In preparation for the "Deutsch Fest" reunion, we would like to examine some German Facts.

-The colors of the German flag are black, red and gold.

-The hamburger originated from Germany. It was brought by the Germans who settled in Cincinnati, Ohio.

On a Personal Note

The reunion activities involve many hours of work, from dedicated individuals. Our reward is your interest and participation in making the once a year gathering successful.

The family budget covers the reunion, as well as other projects, which would not be possible without your contributions and help. We are fortunate to have family talent which we utilize to hold down the costs of the reunion, newsletter, and directory.

The new 1997 Directory, and logo magnets will be distributed at no charge on July 26. We also have a few 1994 directories left for anyone who is interested. Also, for your interest in keepsake preservation, we will have available the pewter paperweights (\$35.00 per keepsake).

Donations to support this year's activities may be sent to the correspondance address.
