Perfect Reunion Weather

Reunion 1998 will long be remembered for its perfect weather and the most participation of family members ever. Record attendance was at 124. The AM "Day Breakers" got things off to an early start both days. After a good cleaning of the pavilion, they served a GREAT breakfast feast. Then, the "Day Breakers" turned the grills over to the B.B.Q. crew, for the PM cooking.

Food consumed in our busy two days, was mounds of fruit, about 18 dozen eggs, with 20 pounds of bacon, pancakes and other breakfast food. The momentum kept going

with numerous tasty covered dishes, and dozens of ears of sweet corn to accompany our two-day cookout. The PM B.B.Q. crew grilled 50 pounds of chicken, ribs, and 140 hot dog and sausage sandwiches.

THEN AND NOW: Compared to another memorable reunion under a tent in Rootstown, in 1988, reunion 1998 will be remembered for its perfect weather, great food, and record attendance. Just ten years ago our attendance was 67 participants, growing in 1998 to the current record of 124. Additionally, the golf activities put us over 130 when counting new faces at this activity. Can we top this in the millennium years?

1999-2000 Secretary/Treasurer

The nominating Committee met on June 25, 1998 to compile a list of candidates to be considered for the position of Secretary/Treasurer. Rules of the board prohibit two officers with the same code number to hold office at the same time. Therefore, because the President, Vice President and Secretary/Treasurer must be from different families, some qualified family members will always be ineligible for nomination. Also, an officer must be a direct descendent. It goes without saying however, that we truly value the time, energy, dedication and unselfish contributions from all family members.

Members of the nominating committee contacted the candidates to determine each candidates level of interest and availability to fill the position. It is worth noting that the candidates all expressed an interest in serving the Huth Family through much needed committee work. The positive response from everyone is encouraging and insures continued growth and benefits to the family.

The committee nominated Carol Benson (12) to fill the vacant secretary/treasurer position. Carol has been active in committee work for several years and is a regular participant at family meetings.

In addition to Secretary/Treasurer-Carol Benson, other nominations were, Vice President-Tad Huth (10), and President Ted Huth (6). Following the practice of moving up the ladder every two years, to complete an eight year term, Dan Huth (12) moves to the position of Immediate Past President.

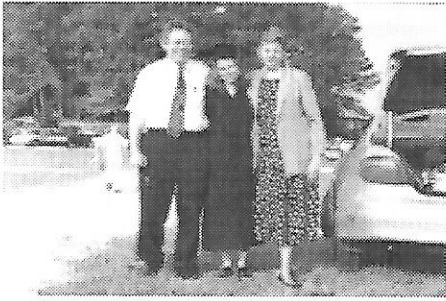

The nominations were presented for a final vote at the July 26 reunion meeting. It was "all in favor" of electing the officers to their new position. The new term of office will begin January, 1999.

CONGRATULATIONS TO THE NEW TEAM!

A busy May for the Davis (1) family with Heather's NC graduation and wedding just two weeks apart.

America needs Fatama

An international pilgrimage displaying the life size statue of Fatama was making its tour in Ohio this summer. Thanks to Liz DiCenzi (7), the statue was able to be displayed at Rita Vuillemin's (3) and Marian Holibaugh's (4) home providing friends and family a chance to make special prayer offerings. In assisting with accommodations, Pauline Yingling (1) and Marian also opened their home to the missionaries in charge of this special event.

Wedding Bells

COLUMBUS, OHIO: On August 24, 1998 Cindy Huth (6) and Paul Johnson were married at a private ceremony in Columbus, Ohio at the German Village Chapel. A camping, boating, and fishing honeymoon added to their special event.

ORLANDO, FLORIDA: At a quiet and intimate service, Charles Peaden and Kim Huth (8) became husband and wife. They were married at Southside Baptist Church on September 1, 1998 at 5:00 PM. "We look forward to our future together and thank God for the blessings he has bestowed upon us, the guidance he has given us and the love and peace we have found within each other and ourselves." said Kim.

Thanks

Two years ago, I chose to set goals to build my duties as president around. Your response to 1997's communication goal and 1998's participation goal was very satisfying. Thanks for your support in making the last two years memorable for me.

In January, 1999 the new team of officers will assume their duties. I am grateful for the many hours of help family members contributed to my term, and I strongly encourage everyone to join me in supporting our new team.

As I join the ranks of other retired family officers, I offer my congratulations and well wishes to the continued success of our proud heritage and future growth.

1997-1998 Family President

Golf and More

Greg Johnson (9) and brother Lon did an excellent job organizing this year's golf outing. The growing interest and large turnout didn't faze Greg's ability to satisfy the hungry participants.

What Family Reunions Mean to Me

By Yvonne Davis (1)

Family reunions are an opportunity to get reacquainted with family members in a warm and congenial atmosphere. Unfortunately, it is difficult in such a large family, to get to know everyone once a year. Therefore, *The Acorn* is a tremendous tool in helping all of us to do the afore mentioned.

Many of the younger family members were married or born after my departure from Ohio to California in the early 1960's, so I have been at a disadvantage of knowing who belongs to whom. This is a very prolific family and keeping up with our immediate families (1) i.e. births, marriages, graduations, and so forth is a large task. Again, *The Acorn*, and the Family directory are very helpful in sorting all of us to the original 12. I guess, if each generation had a spokesperson or historian, as the original 12 siblings have, it might not be an impossible journey into the knowledge of each generation. This is just an idea. However, like Dan, our President, stated in the last Acorn it is easy to come up with ideas, but bringing them into fruition is next to impossible if all family members do not participate. It seems like our worst enemy is miles between all of us since we are scattered from all points north, south, east, and west. I have been extremely busy now and again that I have failed to inform *The Acorn* of news.

Another idea could be a chain letter to begin in Ohio since we can't get all the news in *The Acorn*.

As I am writing this, time clicks away and I should have had this mailed by now, but it is Saturday June 20 the night before we leave to drive to Ohio, knowing I forgot Doug Brown's birthday card in the mail, father's day cards etc. so I guess we all have to utilize *The Acorn* more. Send those pictures, facts, news etc. to Karen and Dan ASAP so they will be in *The Acorn*.

I remember the smaller reunions at Grandma and Grandpa's home on Wirth Avenue. Each family brought their favorite dish to share with others. Aunt Marian played the piano, we played cards, talked, ate, and ate again. I am really not a good person to ask about family reunions since I have not been to many of the more recent ones because of travel time etc. I guess one of the special memories of the reunion was when it was at Dan and Karen's home and I was unable to attend, but alot of people there talked on a tape recorder which mom (1) brought to the reunion. Mom mailed the tape to me and it was fun to listen to everyone's comments. Many people, many years have had to miss for one reason or another and I guess that it made me feel special that each person that did take the time to say a few words really did care about me as a family member.

Well Wishes

Family support does make a difference. Denise and Greg Mercer (12) would like to thank everyone for their concern over baby Madison's hearing problems in her early months. Thanks to Lon and Debra Johnson's (9) phone calls and to all those special prayers.

We missed Colin Johnson (9) at this year's reunion due to his injuries sustained at camp. Hope that broken leg is stronger every day Colin, getting you back on the football field soon.

Reunion visiting updated us on seeing the healing process of "TJ" Rothwell (2), Kurt Huth (6) and Jan Huth (6) from their spring accidents. Kurt is recovering from recent hip replacement surgery.

Send your prayers and wishes for a speedy recovery-always a dose of good medicine to speed up the healing process.

Table Talk

Generation: Your official expertise on the interpretation of generation placement for the Huth family is needed. In the 1994 Directory we made Henry and Lauretta the first generation. After dictionary discussion, we changed the placement to interpret the twelve children as sharing a common parent and forming a single stage of descent-resulting in the first generation status. That's what we did in compiling the 1997 Directory.

Check your sources...your input, discussion/opinion please.

Feedback

WOW! (That was a really big WOW on Gwen's letter) "*The Acorn* gets better with every issue! Many thanks to all of you who give of yourselves to produce such a valuable family newsletter.

I loved Jim Vuillemin's comment. I am of the opinion that he should have his own column in the newsletter."
